

Sample Interview Questions

Instructions

Review these questions keeping in mind your organization's needs, goals, and inclusiveness process, and add or subtract questions as necessary:

- Tell us about your philosophical approach to inclusiveness training. (Ask probing questions to see if his/her general philosophy is consistent with the training strategy or strategies you identified on Selecting a Training Approach and Other Details of Inclusiveness Training.)

- What is one of your most successful (and one of your least successful) inclusiveness consulting experiences? What do you think worked and what did not work? What would you change?

- Why are you the best consultant to work with our organization?

- What will you need from us to ensure a successful consulting relationship?
